DICE Office

Matrix Accounting

A full-service billling and accounting platform and much more...

FEATURES & HIGLIGHTS

- Fully integrated with Microsoft Dynamics 365, used by thousands of companies around the world.

- Maximize RMR with real-time tools that review, analyze, and track key metrics.

- Integrates with Matrix Service to view product pricing, inventory, and installation notes.

- Incorporate quotes, proposals, contracts, and much more with Matrix Sales integration.

- Monitor progress and trends with interactive dashboards, graphs, and analytics.

- Access data from any location on any device with our powerful cloud platform.

Embedded with Microsoft Dynamics 365, Matrix Accounting works seamlessly with the complete DICE software platform. It provides powerful tools to manage everything from invoices and billing to deferred revenue, payment history, and installation notes.

Designed for service providers such as the security industry, Matrix Accounting offers immediate financial insight, access to customer data, and much more.

The New DICE enterprise-level platform is the perfect unified solution to empower your business.

THE NEW
DICE
CORPORATION

New Technologies. New Products. New Services.
